

Worship for All

On the first Sunday of each month (usually) we do something different at 9.30am

Sometimes the service includes Holy Communion, but mostly it doesn't.

Often members of the congregation are invited to do or say something—but nothing too difficult or embarrassing.

It isn't a service just for children or even for families with children, but it is a place where everyone is invited to engage a bit more, to think a bit more and to move around a bit more, though not too much.

And there is coffee in church afterwards.
